PVC Flush Threaded Screen & Casing

Manufactured by  using PVC pipe made from virgin resin.

Computer controlled machines produce flush joint threads that meet ASTM F-480 specifications.

State-of-the-art slotting equipment produces clean, consistent slots which are thoroughly cleaned and inspected prior to shipping.

Schedule 40 pipe sizes from 1/2" to 8" diameter available from stock.

Schedule 80 pipe sizes from 1/2" to 8" made to order.

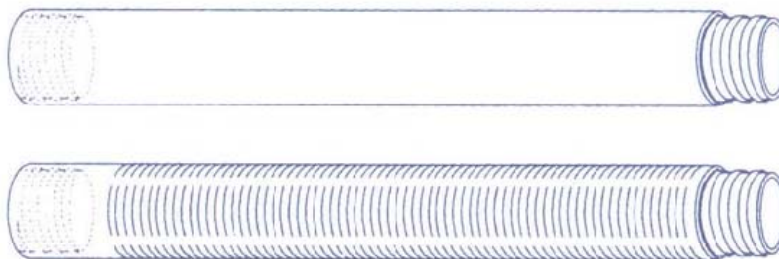

Standard lengths are 5 and 10 feet. Custom lengths are available to 20 feet.

Custom slotting available from .006" to .125" in either horizontal or vertical patterns.

Perforation patterns available to customer specification.
